Tohatsu, Japan's oldest outboard manufacturer, has been producing high quality, durable outboard motors since 1956. Tohatsu outboards were originally developed for commercial Japanese fishermen who needed a motor that could run for days on end, no matter what the weather. The ocean-tested engineering that enables Tohatsu engines to work under these demanding and harsh conditions makes Tohatsu ...

Re: Tohatsu MD50 any questions I'm not sure what I am worried about with regards to this. I guess I went looking for known problems with the TLDI (as you do when buying an outboard), and the only real issue I could find was the voltage/starting issues.....that coupled with the lack of an manual start ability got my hair up a bit.
