Before you begin to operate the navigation system, read this manual thoroughly to become familiar with it and to understand how the system works. Driving without distraction is a necessity for a safer driving experience. See "Defensive Driving" in the Index of your vehicles owner manual. By taking a few moments to read this manual and get familiar with the vehicle's navigation system, you can ...

2005 corvette navigation manual - Free Textbook PDF

The Corvette system is a very capable DVD based navigation unit. While the unit was introduced in the Corvette in 2004 for the 2005 model year it remains a very competent integrated unit dedicated to navigation. The reason we are here today is because the unit isn't as easy to master and use as the aftermarket units available on the market.

2005 Corvette Navigation Manual

K. Navigation System Screen L X (Open/Close Faceplate) Key. See "Hard Keys" under Using the Navigation System on page 2-2 for more information.
