I have a 2009 Yamaha Waverunner FX High-Output 1800 I bought new in April that now has 36 hours, it's had all it's proper maintainances. Friday and yesterday it ran fine and was running fine when I parked it in the private docks here at our motel on the lake last night but this morning it wont start. We have been outside for over an hour and a half looking at it but can't find any loose wires ...
