Graphs of population loss serve as reference lines for the narrative, charting the declining standards of living over the century of dispossession. Care is taken to support conclusions with empirical evidence, including, for example, specific details of how much the Indians were paid for their lands.

Buy An Unspeakable Sadness : The Dispossession of the Nebraska Indians at Walmart.com ... Maps give the spatial context of dispossession, showing how Indian societies were restricted to ever smaller territories where American policies of social control were applied with increasing intensity. Graphs of population loss serve as reference lines ...

## **An Unspeakable Sadness : The Dispossession of the Nebraska ...**

David J. Wishart suggests that the geographic dispossession of the Indians led to an unspeakable sadness. The loss of their ancestral land and history meant that their lifestyle was completely going to change. They were restricted to the reserves and the federal policy was only enacted to suit the European-Americans at the expense of the Indians.
