Flashcards | Quizlet

The government of the United States can best be described as a republic, or representative democracy. A democracy is a government in which political power—influence over institutions, leaders, and policies—rests in the hands of the people. In a representative democracy, however,

Edition
America provides a solid foundation for a course in American government and politics. In the Eleventh Edition, the authors continue to adopt a policy approach to American government as a method of enabling students to understand the policies that governments produce. The themes of democracy and the
