### Art And Artist Creative Urge

'Art and Artist' explores the human urge to create in all its complex aspects, in terms not only of individual works of art but of religion, mythology, and social institutions as well.

### Art and Artist: Creative Urge and Personality Development ...

"The struggle of the artist against the art-ideology, against the creative impulse and even against his own work also shows itself in his attitude towards success and fame; these two phenomena are but an extension, socially, of the process which began subjectively with the vocation and creation of the personal ego to be an artist. In this entire creative process, which begins with self-nomination as artist and ends in the fame of posterity, two fundamental tendencies — one might almost ...

### **Art and Artist - Otto Rank**

The Artist, much like the individual generally, is a cultural phenomenon. Her or his Art must begin and be articulated as a historical genre. At the same time Artists often attempt to reach beyond genre, i.e. beyond their cultural condition. This is the Artist's attempt to discover the self, beyond the culturally determined self.
