In recent years there has been a great deal of talk about a possible death of art. As the title of Heidegger's "The Origin of the Work of Art" suggests, the essay challenges such talk, just as it in turn is challenged by such talk, talk that is supported by the current state of the art-world. It was Hegel, who most profoundly argued that the shape of our modern world no longer permits us ...

Art Matters has grown out of seminars on "The Origin of the Work of Art" that Harries has repeatedly taught at Yale during the last twenty years, and the commentary clearly retains some of the unique oral qualities of Harries's teaching for which he is much admired. I was very fortunate to have had Harries as my teacher and advisor and to ...
