An Introduction to Baroque Guitar

In the late 18 th century, the six-course vihuela a mano guitar from Spain was the primary style of guitar popular in Spain. A book on guitars from 1799 Spain described the standard Spanish guitar as having 17 frets with six courses. It was also during this time that the “waist” of the instrument became more pronounced.

Building a Baroque Guitar. I buy all of my wood in rough billets. This allows me to resaw it with the grain exactly at right angles to the flat side of the board (quartersawn). I only use perfectly quartersawn wood in all of my instruments, simply because it is the only way to insure that the wood will not twist or warp later on.
