SPRING 2002 Final with answers - Washington State University

On first glance, you might think that it would be easy to cheat on an online college course exam. You can have a friend take the exam for you, right? If you don't know the answer to a question, you can Google it or phone a friend, correct? And even if you are prohibited from using a calculator during the exam, who is going to know? Well, it isn't easy to cheat on an exam for your online ...
