Bmw E46 Manual Gearbox Problems

Coming home from school today, my 02 E46 with 52000 miles on it had a serious transmission failure. There was a very loud thud noise, almost like you ran over a big pot hole, but the car ran fine until I took it out of gear. I was able to coast most of the way home (wasn't far from that point), but When I tried to put it back in gear i couldn't as i could feel the gears start grinding.

E46 Manual Transmission Failure - Bimmerforums.com

In this article you can find 13 of the most common problems on BMW E46 models. Like any other vehicle BMW's also have problems, the only difference is, they're something more expensive to fix. If getting ready to buy one, or have one and want to know what might be some of the common problems to expect in the future, this list could be useful.
