The Scouting Guide to Wilderness First Aid: An Officially ...

First aid—caring for injured or ill persons until they can receive professional medical care—is an important skill for every Scout. With some knowledge of first aid, a Scout can provide immediate care and assistance to someone who is hurt or who becomes ill. First aid can help prevent infection and serious loss of blood.

First Aid Kits | Boy Scouts of America
After you learn the first -aid skills and techniques required for the First Aid merit badge, you can teach another Scout what you have learned. Teaching a fellow Scout a simple first -aid skill is a great way to practice and gain mastery of the skill and will also allow you to complete requirement 7.

original edition of the handbook was based on Baden-Powell's work.

Prepared to Help When Needed

All other scouts have their neckerchiefs on properly. The first scout on each team runs to the victim, asks what is wrong, and applies a neckerchief folded into a pressure pad where indicated. When the judge sees that the pad is correct, he calls out "Cured!". The scout removes the pad and becomes the next bleeding victim.
