Decisions. Perhaps too often, business ethics is portrayed as a matter of resolving conflicts in which one option appears to be the clear choice.

Business Ethics and Social Responsibility

Business ethics is a form of applied ethics or professional ethics, that examines ethical principles and moral or ethical problems that can arise in a business environment. It applies to all aspects of business conduct and is relevant to the conduct of individuals and entire organizations. These ethics originate from individuals, organizational statements or from the legal system. These norms, values, ethical, and unethical practices are the principles that guide a business. They help those busi
