Germany's nudist movement, unique in the world, has survived Hitler, Communism and Instagram. It has everything to do with wanting to be free, say nudists, and zero to do with sex.

## Music & The First Amendment: A Case Against Censorship

It was the Stoic school of philosophy that solidified the idea of natural laws controlling all things, including the mind. 4 Their influence persists to this day, in philosophy and religion. Most of the extensive Stoic writings are lost, probably because their doctrine of fate, which identified God with Nature, was considered anathema to the Christian church.
