You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

Celtic Tiles Blanket consists of 20
squares made in overlay crochet
technique with simple border. It's not as
well draping as other cabled crochet
blankets, but it gives a very nice feeling
of coziness and warmth. Perfect for
winter times. Read more about this
