DNA. Jaw-dropping, slick and risky circus by Australian Fringe Favourites Casus - this show goes beyond a display of incredible skill and tackles ideas of gender, self-recrimination and the binding social structures that hinder our ability to be unique. DNA is a celebration of diversity, represented in both the cast and performance, and leaves audiences feeling stunned and inspired.

Circus Directions; KS1 maths | Teaching Resources

I think animals should be banned from the circus because they are kept in cramped cages and it is not in the animals nature to do tricks and perform for people. Jacob, 12, Studley Circus animals don't just perform if you tell them to, the trainers whip them and don't take care of them at all, keeping them in the circus is wrong.

Should animals be banned from the circus? - BBC

The Circus Lot The layout of a circus stays relatively constant. The entrance to the big top will typically be placed at one end of the main tent, and the performers' entrance ("back door") placed at the middle of one of the long sides of the tent. The midway will be organized outside the big top entrance.
