City of Light (novel) - Wikipedia

City of Light could be a slicker, smoother book, but it would be less of one. The novel's ambition can't be denied and must be acknowledged and appreciated. If the sheer range of all Lauren Belfer attempts to include leads to some awkwardness, it's a small price to pay.

City of Light by Lauren Belfer - Goodreads

City of Light The year is 1901. Buffalo, New York, is poised for glory. With its booming industry and newly electrified streets, Buffalo is a model for the century just beginning. Louisa Barrett has made this dazzling city her home.
