Conversational hypnosis ...all conversation is hypnosis. From the time we are babies, other humans hypnotize us. What does it mean to be hypnotized by someone? We tend to picture some slick man directly gazing at us and willing us to "go into trance".. watch the watch and when you hear me count to 1 you will fall into a trance and do my bidding.

Download Free Conversational Hypnosis A Manual Of Indirect Suggestion

As I wrote at the beginning, Conversational Hypnosis is a great method of self-hypnotism. Maybe you are in a group of people listening to somebody who is an interminable bore. Use the opportunity to let his words send you to another place where you can just relax and dwell upon those things that really interest you.
