Dancing Girls Margaret Atwood

Normally, I'm a big fan of Margaret Atwood's work, but there were a lot of elements in Dancing Girls which didn't appeal to me. There's a general tone of immaturity and of experimentation, and only a few of the stories actually read like they were written by the famous and noteworthy Margaret Atwood. The rest felt like they could have been written by anyone in the 1970s who liked to play around with perspective and tone.
