Development Economics does precisely
that in a clear, rigorous, and elegant
fashion. Debraj Ray, one of the most
accomplished theorists in development
economics today, presents in this book a
synthesis of recent and older literature
in the field and raises important
questions that will help to set the
agenda for future research.

Introduction to Development Economics
Barry W. Ickes Fall 2008
What is development economics about? More than growth. We expect economies to grow, yet there are vast differences in the growth experiences of countries. Developing countries are not like young children — requiring time and nutrition to grow. Some developing countries have been poor ...
