## **Distributed Systems**

(□□)

This book started out as a revision of Distributed Operating Systems, but it was soon apparent that so much had changed since 1995, that a mere revision would not do the job. A whole new book was needed. Accordingly, this new book has a new title: Distributed Systems: Principles

# Get Free Distributed Systems

and Paradigms. This change reflects a shift in emphasis. While we still look at some operating systems issues, the book ...
