Think its a 79. Neighbor did a lot of work on it cuz it hadn't run in years. I just put on new deck and drive belts. It's a fun one.

[Dynamark 1036 Manual](#)

Acquired a very abused Dynamark 1036. Am interested in knowing if it's worth repairing. Have not tried to start it yet, but within the week I will recharge the battery and give it a try. Has much rust, but aside from the metal seat it is still solid. I would like to obtain a users manuel and any maintenance manuels.
