Elderly care plans require resources from multiple areas to be effective. The Caregiver Resource Center explains that a good plan designates the various responsibilities that pertain to the care of the elder; this helps all parties make educated decisions that are in the best interest of the elder.

The plan of care should go hand-in-hand with the discharge plan. Family caregivers may find that their loved one will benefit from hiring an in-home senior care agency to help carry out that plan. If you're working with an in-home care agency, be sure to discuss the above considerations with them as well.
