European Aviation Law

This European Civil Aviation Handbook is an informative document which is not legally binding. This presents the advantage of enabling the simultaneous presence of texts of differing nature, thus participating in the structuring of the European aviation law: Regulation, Directives obviously but also Decisions, Case Law and International Agreements.

Aviation law - Wikipedia

The Flight Compensation Regulation is a regulation in EU law establishing common rules on compensation and assistance to passengers in the event of denied boarding, flight cancellations, or long delays of flights. It requires compensation of €250 to €600 depending on the flight distance for delays over of at least 2 hours, cancellations, or being denied boarding from overbooking. Delays shorter than two hours means no entitlement to any compensation of any kind even if the delay was ...
