Expatriate compensation - Simon Fraser University

A new international assignment landscape is challenging traditional compensation approaches. For many years, expatriate compensation has been focused on a dilemma: having assignees on expensive home-based expatriate package versus localization - which is about replacing expatriates with locals or at least transition expatriates from an expatriate package to a local salary.

Managing International Assignments & Compensation | Mercer

The expatriate (and his or her family) also will need to have some education about exchange rates and the currency of their adopted country. Be sure to include spouses in at least some of the training. A large percentage of expatriate assignments are unsuccessful because the wife or husband is not happy in the adopted country!
