Ford - New Holland Tractor - Model 9N, New and Used ...

The Ford N-series tractors were a line of farm tractors produced by Ford between 1939 and 1952, spanning the 9N, 2N, and 8N models. The 9N was the first American-made production-model tractor to incorporate Harry Ferguson's three-point hitch system, a design still used on most modern tractors today. It was released in October 1939.

Ford N-series tractor - Wikipedia

9N came out in 1939, 2N came out in 1942, 8N came out in 1948. A true "war time" 2N had hand crank, magneto and steel wheels. But the war time was only made for a few months so not all 2N's are war time. Ford was given an exception to the rubber and battery restrictions to supply farmers with equipment.
