Car makes - Haynes Manuals

The history of Haynes car manuals traces back to 1956, when John Haynes wrote and published his first guide to building an Austin 7 Special. The first manual by Haynes that contained an abundance of step-by-step photos, based on a teardown of the Austin-Healey Sprite, was published in 1965.

Haynes A/C Manual. I purchased this manual so I could perform do-it-yourself a/c service on my 1987 Toyota truck. Even though I did a lot of research on the internet and found informative information, this book was even more so. The Haynes book still covered the basics of air conditioning principles which can be found online but it also went ...
