### Illegal Traveller An Auto Ethnography

Illegal Traveller is not only an auto-ethnography but also a lucid example of critical ethnography. D. Soyini Madison defines critical ethnography as “an ethical responsibility to address processes of unfairness or injustice within a particular lived domain” (2005: 5).

### Amazon.com: Illegal' Traveller: An Auto-Ethnography of ...

Based on fieldwork among undocumented immigrants and asylum seekers Illegal Traveller offers a narrative of the polysemic nature of borders, border politics, and rituals and performances of border-crossing. Interjecting personal experiences into ethnographic writing it is 'a form of self-narrative that places the self within a social context'.

### 'Illegal' Traveller - An Auto-Ethnography of Borders | S ...

Shahram Khosravi's Illegal Traveller is an emotive, well-worked auto-ethnography that chronicles the author's westward emigration from post-revolutionary Iran (1986) as well as the experiences of fellow undocumented migrants nearly twenty years later (2004-2008).

### 'Illegal' Traveller: An Auto-Ethnography of Borders by ...

An 'illegal' traveller is in a space of lawlessness, outside the protection of the law. This is the main aspect of contemporary border politics. It exposes the border transgressors to death rather than using its power to kill (Agamben 1988; Mbembe 2003 ).

### The 'illegal' traveller: an auto-ethnography of borders ...

In 'Illegal' Traveller: An Auto-ethnography of borders (2010), Khosravi also offers a real-life account of the challenges and risks of 'illegal' border crossing. To use a cliché, Khosravi's auto-ethnography “puts a human face” to stories of “illegal” immigrants who cross the border against all odds.

1 To say that Khosravi's "Illegal" Traveller: An Auto-Ethnography of Borders is a book about border crossing is an understatement. This is a book about sensory and embodied experiences of borders from different standpoints, where current debates on the regulation of human mobility are approached through the author's own.

They are not only edges of a state but also seen as an essential reference of national identity.

### **The 'illegal' traveller: an auto-ethnography of borders ...**

Auto-ethnography is a method of social research whose defining characteristic is that the author links personal experience and autobiography with social, political, and cultural concepts. Its difference from ethnography is the high degree of subjectivity that is introduced to the study, and the fact

that the perspective of the author shows personal involvement with the subject much more than ...
