Living History is an example of that." The book sold more than one million copies in the first month following publication; its sales during its first week of availability set a record for a non-fiction book. The success of the book surprised many in the publishing industry, who thought Simon & Schuster had overpaid for the work.

Living History (book) - Wikipedia

Living history is an activity that incorporates historical tools, activities and dress into an interactive presentation that seeks to give observers and participants a sense of stepping back in time. Although it does not necessarily seek to reenact a specific event in history, living history is similar to, and sometimes incorporates, historical reenactment.
