15-inch MacBook Pro (Mid 2010) Battery Installation Video
Rating: 5/5 Quick delivery, easy to install and provides good working time. April 25, 2018 Order was processed and shipped the same day. Battery came as promised 4 days later. The battery came with small screwdrivers that made removing the old battery from my 2009 MacBook Pro and installation of the new battery quite easy - 10-15 minutes tops.
