The 27' model above ground pool comes with the upgraded 22" Waterway Sand Filter and 2 HP Pump Combo.

## **Oceania Weekender Premium Above Ground Pool Kits**

Sizing your above ground pool pump is crucial to the overall performance of your swimming pool. An undersized pump lacks the power needed to circulate your water properly to prevent algal blooms. Adversely, a pump that is too large will completely bypass your filter altogether. This, too, creates a dirty pool.

## **Beginner's Guide to Spa & Hot Tub Care**

Storm water is water from rain or melting snow. It flows from rooftops, over paved streets, sidewalks and parking lots, across bare soil and lawns and into storm drains and streams. As it flows, runoff collects and transports litter, soil, pet waste, road salt and sand, pesticides, fertilizer, oil and grease, soaps and detergents, and a host of other pollutants.
