US, UK join search for soccer team trapped in flooded cave

Life on a line Chapter 1: Introduction - 5 - intentionally concentrated on equipment in current use by cavers and cave rescue in the UK. I have no commercial interest or bugbear about a particular device or manufacturer, and any good or bad comments herein are based on the results of testing and experience alone.

Life on a line - speleo.no

In the US, the leading cave rescue training curriculum is developed and deployed by the National Cave Rescue Commission (NCRC), which operates as part of the National Speleological Society (NSS). The NCRC is not an operational cave rescue unit, but the organization is composed of members of regional rescue squads.

Cave rescue - Wikipedia

After the rescue was completed, the boys' families, the rescue commander, military officials, and the thousands of volunteers gathered at the cave entrance. The group gave thanks for the lives saved and asked forgiveness from the cave goddess "Jao Mae Tham" for the intrusion of pumps, ropes and people during the rescue.
