Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

The book covers all the marketing techniques for the hospitality industry. It can be used for teachers and students as well. On the other hand, I think the book needs a new edition, even though I read the last one (6th edition), I missed more content on the Digital Marketing for Tourism, or at least a whole chapter to treat the subject more deeply.
