Avignon has two sides. During its prestigious festival every July, the "Cit  des Papes" turns into an enormous theatre and comes to life with a packed programme of shows that draw the crowds. As soon as the festival shuts its doors, the city eases back into a sort of indolence, ready to be explored: palaces, gardens, ramparts, bell towers... An outstanding wealth of architecture that earned ...

Re: Michelin Green Guide Provence 4 years ago The earlier Michelin guides didn't include information on hotels and restaurants, leaving those to the red guides--a good idea, I think, as the red guides come out annually but the green guides don't. Thus, the green guides of the past had more coverage of places and things.
