Enforcement of competition law For as long as the UK remains a member of the EU, UK competition authorities and courts are empowered to apply and enforce the entirety of Articles 101 and 102 of the TFEU, in addition to their existing powers to enforce the Competition Act 1998.

Competition law - the basics

Competition law is a law that promotes or seeks to maintain market competition by regulating anti-competitive conduct by companies. Competition law is implemented through public and private enforcement. Competition law is known as antitrust law in the United States for historical reasons, and as "anti-monopoly law" in China and Russia. In previous years it has been known as trade practices law in the United Kingdom and Australia. In the European Union, it is referred to as both antitrust and com

This competition tasked participants with envisioning a concept for a renovation and programmatic extension of the Connolly's of Leap venue. The site, located on a steep hill next to the storied ravine and a waterfall, contains the existing music venue building and family quarters, as well as a collection of outbuildings today used for storage.

Irish Cult Music Venue Competition Winners

The laws of England and Wales on prize competitions can seem labyrinthine. But for most prize competitions, the route through is reasonably straightforward. There are three main stages. First, design the competition in such a way that it isn't in danger of becoming expensively ensnared in the gambling law regime. Second, mark those areas of illegality that are the domain of
