Building Social Business: The New Kind of Capitalism That ...

In his new book, *Building Social Business*, Yunus devotes many pages to narrowing down the existing definition of a social business—many people precede him in defining it, since the form first cropped up in the Victorian era—but he considers it a new form of economic organization that links a social, ethical, or environmental objective with a commercial or financial one. He also lays out a road map for how these new firms can grow and prosper.
