Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

The issue is not access to parts by the general public or independent camera repair companies. As per my OP, the issue is that Nikon itself no longer manufactures parts for one of its top film cameras - the F100 - only 10 years out from production. I sent my F100 to Nikon's main repair facility in New York and Nikon could not repair it! But Authorized Photo Service in Morton Grove, Illinois, can!
