### **Patched The History Of Gangs**

Interesting book that follows the history of the patched gangs in New Zealand from the motorcycle clubs 'bikies' to the street gangs like Black Power and the Mongrel Mob. The book provides a complex view of how and why the gangs grew and the public reaction to what happened when the battles flowed out into the public domain.

For more than five decades, gangs have played a pivotal role in New Zealand crime life, beginning with the bodgies and widgees of the 1950s. Based on 10 years of gang research, this book chronicles the rise of the Hell's Angels and other bike gangs in the 1960s, the growth of the Mongrel Mob and Black Power in the 1970s, and organized crime during the last decade.

A gang patch in New Zealand refers to the identifying insignia of a street gang. Patches have been linked to intimidation of members of the public by gang members. Gang patches perform much the same identification role as gang colours do in other countries. Each of the country's gangs has its own forms of insignia, of which the most prominent is often a large symbol,
