Law and requirements. The Plain Writing Act of 2010 was signed on October 13, 2010. The law requires that federal agencies use clear government communication that the public can understand and use. While the Act does not cover regulations, three separate Executive Orders emphasize the need for plain language: E.O. 12866, E.O. 12988, and E.O. 13563.

The language used in law is changing. Many lawyers are now adopting a plain English style. But there are still legal phrases that baffle non-lawyers. This guide is intended to help in two ways: • it should help non-lawyers understand legal phrases; and • it should give lawyers ideas for explaining the legal phrases that they use.
