In the dystopian world

Access Free Plus One Elizabeth Fama

of Elizabeth Fama's Plus One, society is split into two: those who are allowed to live in the daylight (Rays) and those who are allowed to come out during the night time (Smudges). This division in society came about during the flu epidemic in the early Twentieth Century, and when the government doctors work in shifts to care for the sick, the results

were so successful that the example spilled out into more professions and society.

Plus One - Elizabeth Fama

Set in a vivid alternate reality and peopled with complex, deeply human characters on both sides of the day-night divide, Elizabeth Fama's Plus One is a brilliantly imagined drama of individual liberty and civil rights,
