### Postmodern Climate Change Routledge Research

A much-needed analysis of international climate change politics as a key issue of modernity and in the context of environmentalism. Leigh Glover presents a new way to understand the climate change problem and is concerned with problems of modernity and postmodernity in the context of contemporary environmental thought.

In either case, research can be hampered, especially with as cross-sectoral an issue as climate change. Post-positivism can reduce the climate change issue, such that studies represent only a specific group's experience of the problem and become divorced from the diverse interactions on the ground.

Get this from a library! Postmodern climate change. [Leigh Glover] -- This book analyzes international climate change politics as an issue of modernity and in the context of environmentalism.

### **Postmodern climate change (eBook, 2006) [WorldCat.org]**

Not all climate change research discussed herein focuses explicitly on "foreign policy" per se, however. Analyses do not always clearly use international relations theory, and few conspicuously adopt a levels-of-analysis framework. This is largely because the study of global climate politics is vastly interdisciplinary in scope.

### **Climate Change in Foreign Policy - Oxford Research ...**

The fate of the climate change regime hangs in the balance as the UN-led negotiations try to forge a new international strategy for the post-2020 period. Since 1992, the UNFCCC and its Kyoto Protocol has been the primary legal instrument to respond to the climate challenge.
