The liberty of the press is the palladium of all the civil, political, and religious rights.[i] In a democratic set up the press can act as a bridge between the government and the people. This right is very important at the stage of the formation of the government. Democracy can not survive without this right.

Freedom Of Press: Fourth Pillar Of Democracy - Academike

The trend is linked to a global decline in democracy itself: The erosion of press freedom is both a symptom of and a contributor to the breakdown of other democratic institutions and principles, a fact that makes it especially alarming.

Freedom and the Media 2019: A Downward Spiral | Freedom House

Thomas Jefferson (1786) Jefferson understood that a vibrant and free press is critical to sustaining the rule of law. Along with free speech, a free press is indispensable for people to be informed and to participate in a democracy. On these points, lawyers and journalists are united.

A free press is necessary for a strong democracy

Democracy and The Press | Philosophy Talk

Written displays of law codes, however, are not unique to democracies; they were a feature of ancient Mesopotamian kingdoms as well. Modern western nations became increasingly democratic a few...

How did the printing press affect democracy? | eNotes

A liberal democracy is a representative democracy in which the ability of the elected representatives to exercise decision-making power is subject to the rule of law, and moderated by a constitution or laws that emphasise the protection of the rights and freedoms of individuals, and which places constraints on the leaders and on the extent to which the will of the majority can be exercised against the rights of minorities (see civil liberties).

Democracy - Wikipedia

Modern democracies divide powers into three different branches : the legislative (the people who make law), the executive (the people who make sure that you obey the law), and the judiciary (who ...
