5 Types of Informational Text Structures | Prestwick House
How to Identify Problem and Solution Informational texts, such as news articles, arrange facts and details in a specific way. Text structure refers to how the information in a text is organized....

Pure-Text paragraphs
A problem-solution essay is a type of argument. "This sort of essay involves argumentation in that the writer seeks to convince the reader to take a particular course of action. In explaining the problem, it may also need to persuade the reader concerning specific causes" (Dave Kemper et al., "Fusion: Integrated Reading and Writing," 2016).

Problem and Solution | Ereading Worksheets
  A solution is the way or how a problem is solved. For our examples earlier a solution might be that you wear something else to school, you borrow money from a friend, or you call a mechanic to fix your car. Sometimes authors choose to organize an informational text using problems and solutions.

The 5 Types of Text Structure
The five most common structures utilized in informational text are cause-effect, comparison-contrast, definition-example, problem-solution, and proposition support or sequential listing. To help students recognize and identify these structures, teachers can acquaint them with the signal or cue words authors utilize in writing each of the structures.

Reading (and Scaffolding) Expository Texts | Reading Rockets
Problem and Solution. Students identify the problem and one or more solutions to the problem as described in the chapter or section. Texts that are framed around a problem and its solutions come in all forms. History texts will often identify a problem that occurred, and then outline or describe the various efforts that were made to solve the ...

Compare-Contrast, Cause-Effect, Problem-Solution: Common ...
Define solutions as "things the author suggests will fix or help the problem." Explain that in a problem-solution text it is important to not only identify possible solutions, but also understand their rationale, or the reasons the author gives for each solution. For the rationale, allow the reader to evaluate the effectiveness of the solutions.
