The employment-at-will doctrine: three major exceptions

Public Policy - Most states recognize a public policy exception to the at-will rule, so that if the reason for the firing violates an accepted public policy or state or federal statute, the firing will be considered wrongful. For example, under the public policy exception,...

Exceptions to the At-Will Rule | LegalMatch

The easiest category to accept as a "public policy" exception to employment-at-will involves employer demands that employees violate the law. The leading case denying an employer's right to discharge an employee for refusing to violate a criminal statute is *Petermann v. Teamsters Local 396*, a 1959 California decision.

These exceptions to employment at will provide legal protections for workers who are covered by state and federal law, collective bargaining agreements, contracts, public policy, and other circumstances and situations where employee rights are protected. If you're concerned about having your employment terminated, it's a good idea to determine whether any of these exceptions apply.

Exceptions to Employment at Will

One of those exceptions is the public-policy exception to employment "at-will". A California court first recognized this exception in 1959 in a case where a business agent for a local union claimed that he was fired as a result of his refusal to testify falsely before a legislative committee.
