Right Here I See My Own Books: The Woman's Building ...

Right Here I See My Own Books examines the progress, content, and significance of this historic first effort to assemble a comprehensive library of women's texts. By weaving together the behind-the-scenes story of the library's formation and the stories between the covers of books on display, Wadsworth and Wiegand firmly situate the Woman's Building Library within the historical context of the 1890s.
