...

In this world, there are sandwiches we eat and then there are sandwiches we get excited about eating. The latter of those two are almost always grilled -- like panini. Naturally, food is more appetizing when it's toasted golden brown and filled with melted cheese and so the panini will always win over the boring un-grilled sandwich.

The Ultimate Breakfast Sandwich: 35 Breakfast Sandwiches ...

Egg sandwich: Not all sandwich makers are the same. While a sandwich press involves heated plates on both ends that are pressed together, an egg sandwich maker, for example, lets you cook all the different elements at the same time. If you were to cook an egg on two slices of bread on a sandwich press, the egg would spill out on the sides.
