LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

### Secrets Of The Wing Commander

Secrets of the Wing Commander Universe Paperback – April 1, 1994 by Mark Minasi (Author)

### Secrets of the Wing Commander Universe: Mark Minasi ...

It's well written, well illustrated and was very clearly a labor of love for a true wingnut author. It includes a background of the Wing Commander universe, a comprehensive ships guide and specific strategy guides for every game up to Privateer. This is the only printed guide that includes information on Special Ops 1 and 2.
