The following is a list of colors. A number of the color swatches below are taken from domain-specific naming schemes such as X11 or HTML4. RGB values are given for each swatch because such standards are defined in terms of the sRGB color space. It is not possible to accurately convert many of these swatches to CMYK values because of the differing gamuts of the two spaces, but the color ...

7/22/2015. 1 photo. We hired Shades of Color to re-finish our faded concrete patio. I figured it would be a tricky job, as half the patio is shaded, the other half is fully exposed. It took a few coats, and a couple return visits , but by the end of it, I think the patio looks better than before. It was less than a week from estimate to ...
