Students who searched for autocad technology certificate programs in colorado found the articles, information, and resources on this page helpful.

Shigley's Mechanical Engineering Design
Shigley's Mechanical Engineering Design has been the standard in machine design for over 50 years, and now with a 40% revision of problems in the 9th edition, instructors will have a variety of new problems to assign at all levels of difficulty. The ninth edition of Shigley's Mechanical Engineering Design maintains the approach that has made this book the standard in machine design for over 50 years.

Shigley s Mechanical Engineering Design 9th Edition ...

Shigley's Mechanical Engineering Design
is intended for students beginning the
study of mechanical engineering design.
Students will find that the text inherently
directs them into familiarity with both
the basics of design decisions and the
standards of industrial components.
