Wonderware Historian Client Software User's Guide

I need an old PPCL manual so I can add a few points to my existing system. In addition I want to set up alphanumeric paging on alarm. The only I/O I have is a dumb terminal(vt100) and a epon printer. I have 3 processors controlling about 100 Seimens TEC VAV controller programmed with application 2021. The PPCL presently controls the condensor water system and supply fans for 8 30 ton units.
