rituals of humans, that act of finding the perfect partner with which to procreate, is a complex and often mind-boggling process. The intricate dance between men and women is an age-old process that continues to change and evolve with the times.

The Lost Art of Courtship | The Silver Petticoat Review

Over the years as traditional gender roles' influence in society have lessened one of the casualties has been the art of courtship. This is due to the confusion that men now have about what is acceptable behaviour when trying to romance a woman and what is not.

The Male Perspective: The Lost Art of Courtship - Secrets ...

Traditional courtship — picking up the telephone and asking someone on a date — required courage, strategic planning and a considerable investment of ego (by telephone, rejection stings). Not so with texting, e-mail, Twitter or other forms of “asynchronous communication,” as techies call it.

The End of Courtship? - The New York Times

Courtship is the period of development towards an intimate relationship wherein a couple get to know each other and decide if there will be an engagement, followed by a marriage. A courtship may be an informal and private matter between two people or may be a public affair, or a formal arrangement with family approval.

Courtship - Wikipedia

Marriage Poem: The Art of Marriage. It is never being too old to hold hands. It is remembering to say “I love you” at least once a day. It is never going to sleep angry. It is at no time taking the other for granted; The courtship should not end with the honeymoon, it should continue through all the years.
